

HONORS COLLEGE

“The Power of Ideas to Shape the World”

The Honors College provides intellectually curious, motivated students with the foundations of a rigorous liberal arts education within the context of a world-class research university. Honors College students engage the best of two worlds—an intimate liberal arts experience, including coursework and living-learning opportunities, joined with a world class research university and the opportunity to engage in independent research, working closely with top researchers and scholars.

Praxis Labs draw students from all disciplines to collaborate on innovative research-based solutions to pressing societal challenges. Under the guidance of distinguished faculty and community leaders, students analyze topics through in-depth classroom and field research and provide immediate solutions.

- **43** Praxis Labs (2005-2018) addressing issues of Social Justice, Health & Society, and Energy & Environment.
- **490** Students served

HONORS THESIS

The culmination of the Honors Bachelor's Degree, students engage in undergraduate research in their disciplines under the close supervision of a faculty member.

- Over **1,200** theses produced, 2003-2017, representing every College
- Theses published through the Marriott Library and in peer reviewed journals.
- Students present research findings at local regional and national conferences.
- **70%** of Honors graduates report gaining admittance to their top graduate/professional school.

2250 Undergraduate Students

14 Colleges

76 Disciplines

Interdisciplinary Space
