

#YouToo?

What: Volunteers needed at the launch of a new study to examine gender-based violence targeting **sexual and gender minority women in university contexts**. It will examine how gender-based violence plays out in the lives of women, including sexual and gender minority women (e.g., lesbian, bisexual, transgender). If you have been a target or have witnessed such an event you are invited to participate.

Required Criteria:

- (1) Identify as a woman, whether straight, lesbian, bisexual, and/or transgender,
- (2) Be at least 18 years old,
- (3) Be a current student, staff, or faculty member at the University of Utah.

Interested? Please go to this link to an anonymous online survey:

Participants can further help the study in a follow-up focus group if interested. *Student respondents will be entered into an opportunity drawing to receive one of ten \$50 gift cards to the University of Utah Campus Store.*

Our Goal: To further our understanding of how gender-based violence targets women, including those identifying as a sexual or gender minority, in university contexts. Your participation will make an important contribution to identifying resilience and risk in our communities.
