Join us for a one-day event to connect around the University of Utah's One-U Responsible AI Initiative. We'll share progress in three thematic areas: **environment, healthcare and wellness, and teaching and learning.**

Engage with responsible AI experts, including U researchers and local and national partners.

THE LEONARDO Free Entry for Symposium Guests!

From Sept. 24–29, present your Symposium badge to receive free entry at The Leonardo and further peer *Into the Mind of AI*—an exhibit presented in partnership with the University of Utah.
