

HAVE YOU HAD A MAJOR TRAUMATIC INJURY AND LIVE IN A RURAL AREA?

JOIN OUR COMMUNITY ENGAGEMENT PROJECT

Researchers want to understand the unique needs of rural patients with major injuries, their families, and their caregiving communities to improve the health of individuals and rural populations.

Your participation can make a difference!

HOW CAN YOU HELP?

- Join our community of patients and caregivers.
- Provide insight through a series of supportive, 1 to 2-hour online sessions.
- Help us understand what matters to rural patients who are recovering from major injuries.

WHO CAN PARTICIPATE?

RURAL TRAUMA SURVIVORS

- Adults 18 years and older
- Live in a rural area
- Have had trauma with two or more body parts with a two or more day admission to the hospital.
 - Examples include: farm or industrial accident, spinal cord injury, or multiple fractures
- Spanish or English speaking

TRAUMA CAREGIVERS

- Adults 18 years and older
- Spanish or English speaking

COMMUNITY SESSIONS

- 1 to 2-Hour Online Sessions
- Fall 2024 / Spring 2025

COMPENSATION

- **\$50 per hour**
